

Estimated Prophet

F#m Bm6
My time coming, any day, don't worry about me, no
F#m Bm6
Been so long I felt this way, I'm in no hurry, no
F#m Bm6
Rainbows and down that highway where ocean breezes blow
F#m Bm6
My time coming, voices saying they tell me where to go.

F#m Bm6
Don't worry about me, nah nah, don't worry about me, no
F#m
And I'm in no hurry, nah nah nah, I know where to go.

Like an angel, standing in a shaft of light
C G C G F C
Then rising up to paradise, I know I'm gonna shine.

My time coming, any day, don't worry about me, no
It's gonna be just like they say, them voices tell me so
Seems so long I felt this way and time sure passin' slow
Still I know I lead the way, they tell me where I go.

Don't worry about me, oh no no, don't worry about me, no
And I'm in no hurry, oh no no no, I know where to go.

California, a prophet on the burning shore
California, I'll be knocking on the golden door
Like an angel, standing in a shaft of light
Rising up to paradise, I know I'm gonna shine.

You've all been asleep, you would not believe me

You will follow me and we will ride to glory

Way up, the middle of the air!
