

My Sisters and Brothers

[Verse 1]

I want to say to my sisters and my brothers Keep the faith
When the storm flies and the wind blows, Go on at a steady pace

When the battle is fought and the victory's won

We can all shout together, we have overcome

We'll talk to the Father and the Son
When we make it to the promised land

[Chorus]

If we walk together, little children
We won't ever have to worry
Through this world of trouble

We've got to love one another

Let us take our fellow man by the hand
Try to help him to understand

We can all be together Forever and ever
When we make it to the promised land

[Verse 2]

Our bible reads, Thou shalt not be afraid
Of the terror by night, Or the arrow that flies by day
Nor for the pestilence That walketh in the dark
Nor for the destruction That waiteth in the noonday hour

[Chorus]

If we walk together, little children
We won't ever have to worry
Through this world of trouble

We've got to love one another

Let us take our fellow man by the hand

Try to help him to understand

We can all be together Forever and ever
When we make it to the promised land

[Verse 3]

This world is not our home We are only passing through

Our trail is all made up Way beyond the blue

Let us do the very best that we can

While we're travelin' through this land

We can all be together Shaking a hand

When we make it to the promised land

When we make it to the promised land children

Make it to the promised land children

Make it to the promised land children

Make it to the promised land

When we make it to the promised land sisters

Make it to the promised land children

We can all be together, forever and ever

When we make it to the promised land
