Her eyes were bright and shining and her voice was sweet to me
Knew that I would always love her and I hoped that she loved me.

Her eyes turned to me, my darlin', and this is what she said:
 "You know that I would always love you when you and I are wed."
 Then God way up in heaven one day for her did call
 I lost my bride, oh how I loved her, my Rosalie McFall.

I searched the wide world over through cities great and small
But I never found another like my Rosalie McFall.
