

Scarlet Begonias - E Piano

[Intro]

B E B E B E B

[Verse 1]

E A B
As I was walking round Grosvenor Square
E
Not a chill to the winter
B
But a nip to the air
A E B
From the other direction
A E
She was calling my eye
A E B
It could be an illu_sion
A E
But I might as well try
B
Might as well try

[Verse 2]

She had rings on her fingers and
Bells on her shoes
And I knew without asking she was
Into the blues
She wore scarlet begonias
Tucked into her curls
I knew right away
She was not like other girls
Other girls

[Verse 3]

In the thick of the evening
When the dealing got rough
She was too pat to open
And too cool to bluff
As I picked up my matches and
Was closing the door
I had one of those flashes:
I'd been there before
Been there before

[Verse 4]

With the way she moves
Or scarlet begonias or a
Touch of the blues
And there's nothing wrong with
The look that's in her eye
I had to learn the hard way
To let her pass by
Let her pass by

[Verse 5]

The wind in the willows played tea for two
The sky was yellow and the sun was blue
Strangers stopping strangers
Just to shake their hand
Everybody's playing
In the Heart of Gold Band
