

This Is The End

[Verse 1]

I awoke in my room
where the heat could kill a man
and I was thinking about you, thinking 'bout me
So I called up my doctor, said
don't give me a chance
I dug this grave
and I might as well get in

[Chorus]

'Cause this ship is sinking; pass the whiskey
Give me my last cigarette
Tell my mother not to worry
Oh my friends, this is the end, this is the end

[Verse 2]

Well, I was never allowed a guilt free win
and I've always hated all the skin I was in
Well, pour yourself a glass
we'll reminisce about the times we had
'Cause in the morning I'll be dead and gone for good

[Chorus]

'Cause this ship is sinking; pass the whiskey
Give me my last cigarette
Tell my father it was worth it
Oh my friends, this is the end, this is the end

[Verse 3]

Oh, I got a gift card for getting cancer
Asked but never given an answer
to whether or not everyone is truly alone
Well, this bird has flown, this ship has sunk
Man, tie my hands and leave me dead in the trunk
Just don't ask me if I'm doing okay

'Cause I'm not okay

[Chorus]

This ship is sinking; pass the whiskey
Give me my last cigarette
Tell my sister not to wait for me
This is the end, this is the end, this is the end
'Cause this ship is sinking; pass the whiskey
Give me my last cigarette
Tell my friends that I love them
Oh my friends, this is the end, this is the end

[Rap over chorus]

G# D#
 Well, I don't exactly know what's going on in the
 A#
 world today. Don't know what there is to say G#
 D#
 about the
 A#
 not like brothers. Leaders take us
 G# D#
 far away from ecology with
 A#
 mythology and astrology. I've got some
 G# D#
 words to say about the way we live
 A#
 today. Why can't we learn to love each
 G# D#
 other? It's time to turn a new face to the
 A#
 whole world wide human race.
 G# D#
 Stop the money chase. Lay back,
 A#
 relax, get back on the human track.
 G# D#
 Stop racing toward oblivion. Oh, such a
 A#
 sad, sad state we're in
 G# D#
 and that's a thing. Do you recognize the bells of
 A#
 truth when you hear them ring? Won't you
 G# D# A#
 stop and listen to the children sing?
 G# D#
 Won't you sing it children?
 A#
 Won't you come on and sing it children?
 G# D# A#
 He's a stranger in a strange land

G# D# A#
 Just a stranger in a strange land
 G# D# A#
 stranger in a strange land
 G# D# A#
 stranger in a strange land
 (repeat to fade)
