You've come to tell me something you say I ought to know

That he don't love me anymore and I'll have to let him go

You say you're gonna take him, oh but I don't think you can

D7 G

'Cause you ain't woman enough to take my man

[Chorus]

Women like you, they're a dime a dozen

G

You can buy 'em anywhere

A7

For you to get to him, I'd have to move over

And I'm gonna stand right here

It'll be over my dead body, so get out while you can

D7 G

'Cause you ain't woman enough to take my man

D7 G

And you ain't woman enough to take my man

[Chorus]

Women like you, they're a dime a dozen

G

You can buy 'em anywhere

For you to get to him, I'd have to move over
